➢ Provide location of tourist sites

GEOSEN

GEOSEN

GEOSEN

Technologies

-J2ME (Java 2 Platform Micro Edition)
- Eclipse

Perception of the bootcamp

➢ Developed mobile applications with J2ME

➢ Learned the use of Kannel and how to configure it

➢ Initiative of the school

➢ Teamwork and good management

➢ Really intensive training and time too short

➢ Difficulty of quick assimilation of knowledge

FUTURE

➢ Set up Bluetooth terminals in airports and hotels

➢ Making the application Open Source

➢ Improving the application by completing the list sites and words

Thank you for your kind attention.
